0 of 0 review helpful Vol 9 Rodgers Hammerstein Easy Piano Numbered By Lady in the Meadow This has a nice collection of songs for the piano but I was disappointed that the notes where not numbered for easy playing So if you are expecting this to have the notes numbered I would not suggest buying this selection of piano books Software Each book in our new MIDI Play Along series comes with a 3 5 MIDI disk of complete professional performances and includes matching custom arrangements in Easy Piano format With these book disk packs you can listen to performances of each of the songs play the easy piano arrangements along with the performances sing along with the full performances play the easy piano arrangements on their own without the disk 10 songs including Do Re Mi Edelweiss
