review helpful A popular choice By S Carlock Very nice concerto both students I played it for chose it for Jr festival This intermediate level concerto in three movements for solo piano with piano accompaniment is beautifully composed in the classical style The opening theme is strong and memorable and all technical passages are well within reach of intermediate pupils Younger pianists will gain the rewarding experience of playing a concerto and they will be prepared to learn the great concerti of master composers Note two copies are needed for performance A Federation Festivals 201
