By C. M. Girdlestone : Mozart's Piano Concertos sep 12 2011mozart concerto no 23 in a major k 488 2936 mozart piano concerto no 23 a major k 488 maurizio pollini mozart concerto for piano video embeddedmozarts

concertos are still some of the most performed horn concertos clarinet concertos violin concertos piano concertos theyre all as popular as they ever Mozart's Piano Concertos:

0 of 0 review helpful Old information subjective but helpful By Alvin Contains a lot of information but very subjective and quite technical for less than advanced musicians Also some of the identifying numbering is out of date 4 of 5 review helpful Venerable descriptive musical guide By klavierspiel The wonderfully named Cuthbert Girdlestone first published this This early work on Mozart's Piano Concertos is both expensive and hard to find in its first edition It contains analyses of the themes and structure of some of Mozart's greatest piano compositions This is a fascinating work and thoroughly recommended for anyone interested in music theory Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce We are republishing these classic works in affordable high quality English French translation
